

# STONE COUNTY HEALTH DEPARTMENT FOOD SERVICE INSPECTIONS

3/3/25-3/31/25

The health department divides food service code violations into two categories, critical and non-critical.

**Priority items** are more likely than other violations to contribute to food contamination, illness and/or injury.

**Core items** although important to the overall aesthetics and food safety of the establishment, do not necessarily present an immediate threat to food contamination, illness and/or injury.

A report for each establishment that is inspected shows the number of priority violations, along with a short statement as to the nature of the violations. The report also indicates the number of core violations but does not list the nature of these violations. \*=Items corrected immediately.

AZALEA'S GARDEN BISTRO      219 Notch Shopping Center Lane, Branson West, MO  
Pre-opening      3/24/25  
Provided education and consultation at time of inspection. Review of physical facilities.

DOGWOOD CANYON

2038 W. Hwy. 86, Lampe, MO

Routine

3/19/25

Priority 5

1. Numerous items stored in cooler at snack bar area were not labeled with discard dates. Ready to eat potentially hazardous food items held over 24 hours must be labeled with a discard date up to 7 days from date of preparation.
2. A can of insecticide was stored next to single service items in snack bar area. Insecticides must be stored separately from food related items.
3. Employee observed handling ready to eat food items with bare hands at approximately 10:58 AM. Ready to eat food items must be properly handled with gloves, utensils, or tissue.
4. Heat sanitizing dish machine only reached 147.9 degrees Fahrenheit at 10:52 AM. Minimum temperature of 160 degrees Fahrenheit required at the dish level.
5. Several items stored in walk in cooler past the discard dates. Ready to eat potentially hazardous foods may only be held up to 7 days after preparation.\* Items discarded.
