

STONE COUNTY HEALTH DEPARTMENT FOOD SERVICE INSPECTIONS

5/1/25-5/30/25

The health department divides food service code violations into two categories, critical and non-critical.

Priority items are more likely than other violations to contribute to food contamination, illness and/or injury.

Core items although important to the overall aesthetics and food safety of the establishment, do not necessarily present an immediate threat to food contamination, illness and/or injury.

A report for each establishment that is inspected shows the number of priority violations, along with a short statement as to the nature of the violations. The report also indicates the number of core violations but does not list the nature of these violations. *=Items corrected immediately.

BBQ FESTIVAL(SDC)	399 Silver Dollar City Parkway, Branson, MO
